

Permission Slip  
Field Trip  
Gap Mountain

My child, \_\_\_\_\_ has my permission to attend the Gap Mountain Field Trip with the Summer Recreation Program 2011.

Transportation will be provided by Community Transportation and is included in the Summer Rec registration fee. There is no cost to you for this trip.

Gap Mountain is not considered a difficult hike, but there are some rocks and slight inclines that the children need to climb and this may be difficult for younger children. Counselors will be able to assist children, but we ask that you only send your children on this hike if you feel they are capable. Children must be able to carry their lunch and water and a sweater or sweatshirt. We suggest all articles be packed in a backpack. Adequate amounts of water are suggested in lieu of carbonated and sugar beverages.

We will be leaving the recreation area by 10 AM and returning in time for the standard pick up time of 3:00 PM.
